Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I am just trying to give back. Trying to help those in need. I have never had something anyone needed but the least I have or can offer I am willing to share. Babies are a blessing and bring so much joy in ones life so it would be fulfilling to know that I helped bring someone that much happiness. In simple terms, I just want to be a part of something bigger than myself, something amazing.

How do you best describe yourself?	Bubbly, can be shy around people I am not used to, gets a tad bit of talkative once I'm comfortable. I'm a lover of life and of nice things. I'm self-driven and forward thinking. I am extremely empathetic and emotional, some people even take advantage. I am a very good listener and I'm good with children. I am a lover and I am very overprotective of the people I love. My top 3 love languages are Acts of Service, Quality Time and Gifts of Love/Gift Giving.

Confirmation

I have only made myself available as an egg donor with baby2mom:	No
Please advise any specific donation criteria other than those mentioned:	Vitalab, application is still being processed.
All information provided is correct and pictures	Yes

are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
