Face shape:	Round
Other personal information:	Christian South African nationality, Xhosa ancestry. Candidate aspires to be an educator. She is a kind, compassionate and caring person who enjoys helping others whenever she can. She is responsible, honest, and dependable, and always try to treat people with respect and empathy. She has a positive outlook on life and believes that even small acts of kindness can make a big difference. Becoming an egg donor is one way she hopes to make a meaningful impact by giving someone the

	opportunity to build the family of which they have always dreamed. . Smoking Status: never smoked Reason for Donating: I want to become an egg donor because I know there are many individuals and couples who dream of having a child but are unable to conceive on their own. The opportunity to help someone experience the joy of becoming a parent is incredibly meaningful to me. If I could leave a message for my recipient, it would be: I hope this gift brings you hope, happiness, and the family you've been wishing for. I wish you and your future child a lifetime of love, health, and beautiful memories. I am honored to have been a small part of your journey.
Reproduction history:	Has Children: No Number of Children: 0 Have you donated eggs before: No
Views on religion and spirituality:	I believe they bring discipline in life

Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
