Other personal information:	Religion: I'm neutral when it comes to religion. I respect people's beliefs, but I personally don't believe in religion. Nationality: South African Blood Group: A+ I would describe myself as a caring, sensitive and genuine person. I can be a little quiet when I first meet people, but once I'm comfortable, I'm very easygoing and enjoy having meaningful conversations and making people laugh. I care deeply about the people in my life and I try to treat people with kindness and

	understanding. I'm also someone who has grown a lot through the experiences I've had. I've become more independent, stronger and more appreciative of life. I enjoy good food, clothes, going out, travelling and simply experiencing new things. I'm still figuring life out like everyone else, but I try to stay true to myself and be a good person along the way. Smoker: never smoked Reason for Donating: I want to become an egg donor because I would like to help someone who may be struggling to have a child experience the joy of building a family. I understand that becoming an egg donor is a significant decision, and I would be honoured to play a small part in helping someone achieve their dream of becoming a parent. I also appreciate the importance of the medical and emotional responsibility involved and am willing to approach the process seriously and responsibly.
