

S - PC 2800, Cape Town

Availability status:	Available now in Cape Town
Race:	Mixed race/ Coloured
Age:	29
Hair colour:	Wavy light brown fine hair
Eye colour:	Light brown eyes
Has children:	Yes
Proven donor:	No
Post matric studies:	No
Other physical information:	1.5m., 61kg., fair skin complexion.
Face shape:	Round
Other personal information:	South African nationality, Virgo star sign, Christian. Candidate is employed as a receptionist. She loves singing, is bubbly and a people's person. She adapts well to her surroundings and enjoys the outdoors. Non-smoker. Reason for donating: I would like to help a childless family become complete by blessing them with a little help. I had my son 2 years ago and i cannot imagine my life without him. I am getting married in a few months and i would like to have more kids one day, but for now i feel that i want to give something back. My cousin got married about 10 years ago and still

	does not have any children because she is not able to conceive. I know her pain and emptiness first hand. If i could help any family, this is how i would want to. I hope that i can help and bless someone in this way xx
Reproduction history:	Three children and no donations as yet.
Views on religion and spirituality:	I am a Christian

Towns available in which to donate - travel costs will be covered:	a:1:{i:0;s:9:"Cape Town";}

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
