S - PD 6890, Brits

Availability status:	Available now in Pretoria and Johannesburg
Race:	Black/African
Age:	19
Hair colour:	Brown
Eye colour:	Brown
Has children:	No
Proven donor:	Yes
Post matric studies:	No
Other physical information:	Height: 1.55 meters Weight: 45 kg
Face shape:	Heart
Other personal information:	Religion: I am a devoted Christian Jesus Christ is my Lord and Savior and he has saved my life I take my faith extremely seriously and spread the gospel any chance I get Nationality: South African Blood Group: Unknown I would describe myself as a very quiet but loud person... like omniverted(both introverted and extroverted). I love interacting with new people and learning new things because of my willingness to learn. I love helping people in any way I can, whether it's volunteering

	or donating to charities, helping people in the community, helping makes me feel like I used the strength the Lord has blessed me with for something meaningful. I love staying active whether it's walking, running, hiking, anything that gets my heart rate up is where I'm at I love reading and playing sudoku (boring I know) Smoker: Ex-smoker Reason for Donating: I would like to be an egg donor to help couples struggling to have children be able to experience the wonderful gift of being parents and having little ones running around. I would love to have children of my own one day and I thought of how not every woman will get to experience that blessing so I did my research on how I could make having children for intended parents possible. A message for the recipient: I pray that going forward you will findthep erfect donor and have a very successful pregnancy
Reproduction history:	Has Children: No Number of Children: 0 Have you donated eggs before: No
Views on religion and spirituality:	I am a devoted Christian Jesus Christ is my Lord and Savior and he has saved my life I take my faith extremely seriously and spread the gospel any chance I get

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg	No

donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
