Other personal information:	South African nationality, AB+ blood group. Candidate is a professional dancer. She is an artistic person: sings and draws. She is a financial advisor by profession, IT technician. She is also a fashion designer. She loves golf, swimming and music. I'm an entertainer by nature and free spirit. Non-smoker. Reason for donating: Why not is the question. Ive been fortunate to be able to have two beautiful children and the idea was planted by a

	colleague who kept asking for my eggs jokingly saying she loves my personality and the way I look and even about my sons' beauty. Only for her to tell me later that she at her age has been trying to have children with no luck. It gives me great joy to help those in need of the same joy since I've had my bundles and it will give me great pleasure not only to help one but many others that deserve the smile of the little people.
Reproduction history:	Two sons and no donations as yet.
Views on religion and spirituality:	If it works for you go for it, just don't disregard or disrespect others.
