Other personal information:	Zambian nationality, A+. Candidate is pursuing a Bachelor's Degree in Business Administration. She holds a Diploma in Business Administration, and several certificates in Project Management, Psychology, Virtual Assistance, Caregiving, and Care Management. Although she is currently job hunting after a recent job loss, she remains hopeful and focused on finding the right opportunity. In addition to her professional background, she is passionate about giving back to the community. She enjoys

	<p>volunteering, whether it's teaching and mentoring children at an orphanage or offering comfort to the sick at a hospice. These experiences have taught her the importance of empathy, kindness, and hard work. On a personal note, she is lactose intolerant and has allergies to dust and smoke. Despite these sensitivities, she enjoys a healthy diet that includes plenty of fish and greens. In her free time, she loves to travel, explore new places, and try new recipes, particularly those that align with her dietary preferences. Overall, she would describe herself as empathetic, kind, hardworking, and business-minded. She remains committed to growth, learning, and helping others in any way she can. Non-smoker. Reason for donating: I hope that this introduction gives you a sense of who I am. I am honoured to be part of your journey, and I wish you all the best moving forward..</p>
Reproduction history:	My menstrual days goes up to 5-7
Views on religion and spirituality:	I see religion as something that often leads to conflicts, with different groups insisting that their way is the only right one. This can sometimes overshadow the essence of faith and create division. Right now, I'm more interested in spirituality. It feels like a way to connect with a higher power on a deeper level without the constraints of organized religion. Spirituality allows for a personal and

	<p>meaningful exploration of faith, which resonates with me more at the moment. Ultimately, I'm focused on finding a deeper connection and living a compassionate life, regardless of religious boundaries.</p>

If you had unlimited resources and could save one thing on earth what would it be?	If I had unlimited resources and could save one thing on Earth, I would focus on saving children who are dying from hunger in war-torn regions. Children are the most vulnerable and their suffering in such dire circumstances is heartbreaking. By addressing their immediate needs for food and safety, we can provide hope and a chance for a better future. This would not only save lives but also contribute to breaking the cycle of poverty and conflict that affects generations.

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	Only to women
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
