Other personal information:	South African nationality, Christian. Candidate has studied Public Relations and now busy with Integrated organisational communication studies. She is a very kind, reserved, brave, patient, selfless and stubborn person. She laughs alot, is hard working person, loves her own space and adventurous. She can sing, loves performing and travelling. Non-smoker. Reason for donating: There are women who are struggling to conceive and that can be very stressful. Some of these are married and that is the most painful thing for any women

	to experience. I am donating my eggs because I believe in giving and I love to see people happy. There is nothing joyful like having children.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	Religion is based on rules and regulations that many times people fail to keep up with, I think religion limits people and there is no freedom in religion. Spirituality is something personal because you are not told what to do, but you live and do things based on what you believe works for you and spirituality allows you be your self. Christianity is not religion. The difference between Christianity and religions are about man trying to reach up to God. Christianity is about God reaching down to man.
