

A - PS 3999, Johannesburg

Availability status:	Available now in Pretoria
Race:	Black
Age:	34
Hair colour:	Black
Eye colour:	Dark brown
Has children:	No
Proven donor:	Yes
Post matric studies:	No
Other physical information:	1.65m., 53kg, fit build.
Face shape:	Square
Other personal information:	South African nationality, O+ blood group. Candidate is a Yogi/Law student. She is absolutely passionate about yoga, nature, deep conversations, travelling and experiencing different places, helping people, hidden gems, cabins, collecting records and soulful music. She is a calm, introvert, lover of simple things in life, loves dogs, being in the moment and embracing the present moment, continuous growth and development. Non-smoker. Reason for donating: I think anyone who would go through such lengths to have a child deserves the world. You are brave and deserving!

	I know someone who can't conceive and know how it has affected them mentally and if I have an opportunity to help someone conceive I am willing to give my time and effort in helping them make their dreams come true with an open heart and mind. I wish my potential recipient all the best and sending love and light.
Reproduction history:	?? children and proven donor
Views on religion and spirituality:	I respect religion and practiced religion, however I am more spiritual, I prefer praying at home on a daily bases and building a healthy relationship with God, I am not really a church goer, I used to go to church when I was younger but as I grew I realised how some churches aren't genuine and preferred to practice my own spirituality.

Confirmation

I have only made myself available as an egg donor with baby2mom:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
