

## S - RN 5252, Bloemfontein

Availability status:	Available now in Bloemfontein
Race:	Black/African
Age:	26
Hair colour:	Black
Eye colour:	Black
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.66m., 66kg.
Face shape:	Round
Other personal information:	South African nationality, of Sotho ancestry. Candidate aspires to study business management. Non-smoker. Reason for donating: I want to be an egg donor because I genuinely want to help individuals or couples who are struggling to have children. I understand how deeply emotional and challenging infertility can be, and if I can play a part in helping someone experience the joy of parenthood, that's something truly meaningful to me. I feel grateful for my health and the opportunity to give someone else a chance to build the family they've been dreaming of.

Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	Unknown

## Additional Donor Information

### Egg Donation Stipulations

--	--

Please indicate if you have any donation conditions or criteria such as persons to whom you prefer not to donate:	No
Preferred town to donate:	bloemfontein
Towns available in which to donate - travel costs will be covered:	Bloemfontein

**Confirmation**

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
