

## S - SC 3879, Brakpan

Availability status:	Available now in Johannesburg and Pretoria
Race:	Black
Age:	21
Hair colour:	Black
Eye colour:	Brown
Has children:	Yes
Proven donor:	No
Post matric studies:	No
Other physical information:	1.5m., 65kg., spoon shape with medium wide hips and size C breast cup, size 34 waist, long course hair, size 7 shoe size.
Face shape:	Oval
Other personal information:	South African nationality, B+ blood type. Candidate is a part time student studying a Bed and an Intern in a township high school. She loves teaching and lending a helping hand in the community. She does some coding in her spare time and would love to travel in the near future. Non-smoker. Reason for donating: I lost my aunt about a year ago. Unfortunately she was never blessed with children, which resulted in her inheritance being owned by the state. I

	wish I knew about egg donation at that time, I would have been most willingly to help her enjoy the greatest gift. I know that there are other beautiful and loving ladies out there like my aunt and I would really love to help them have the greatest gift ever.
Reproduction history:	One son born 2019 and no donations as yet.
Views on religion and spirituality:	I believe that there is a greater power that controls people's fate but I don't think we can label such power.

### Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor.	Yes

I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
