Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I have considered the idea in 2015 but refused for ethical reasons, I have witnessed friends and family members who are unable to have children, one of them was my cousin and I saw how incomplete she felt. The gift of life is just beautiful for me. Additionally, I am not considering having more children in the future, but I have been blessed with the option of

	choice and I would like to share this privilege before I make any permanent decisions about my reproduction system.
How do you best describe yourself?	I am very positive, I never wake up on the wrong side of the bed, an overachiever measured according to my standards. I am the happiest I am today and aim to live in the moment and achieve what I can today because life is too precious to worry about the future. I am constantly seeking to learn more about life in general, have a natural hunger for self-development, and wish to have a meaningful impact on other people.
