

A - SE 4147, Port Elizabeth

Availability status:	Available now in Port Elizabeth
Race:	White
Age:	31
Hair colour:	Light brown
Eye colour:	Green
Has children:	No
Proven donor:	Yes
Post matric studies:	Yes
Other physical information:	1.53m., 58kg., .tend to change colour from time to time depending on the weather, between green and blue
Face shape:	Round
Other personal information:	Christian, South African nationality, of Dutch and Irish ancestry, O+ blood group. Candidate neither drinks nor smoke. She works in retail. She is a very kind and loving person who loves spending time with family and friends. She smiles a lot. She describes herself a a bubbly responsible person. Non-smoker. Reason for donating: I never wanted any children, which might sound cruel but I love children, I absolutely adore them. I know so many people who cannot conceive

	and it breaks my heart seeing how they yearn for being a parent. I am an empath so I feel a person's pain. If I can make someone's dream come true it would certainly bring a smile on my face.
Reproduction history:	No children and good quality eggs in previous donation resulting in a pregnancy.
Views on religion and spirituality:	I respect other religions and beliefs, but personally I believe in Christ!

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the	Yes

baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
