

S - SL 6235, Krugersdorp

Availability status:	Available now in Pretoria
Race:	White/ Caucasian
Age:	33
Hair colour:	Blonde
Eye colour:	Green
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.65m., 64kg.
Face shape:	Triangular
Other personal information:	<p>South African nationality</p> <p>Candidate is an ambivert with an ISFJ personality type (same as Queen Elizabeth the 2nd). She comes from a family of intelligent individuals whereby a few of her family members skipped grades in school. She was also asked to but declines. She describes herself as very caring person and mostly puts other's needs before her own. Seeing other's happy makes her very happy. She enjoys sport but due to her busy lifestyle, she can only accommodate her dog at the park for exercise.</p> <p>Light to non-smoker.</p> <p>Reason for donating: I would like to become a donor</p>

	because I have an extremely busy lifestyle and I would like to make another lady's dreams of becoming a mother true even though I have played a very small part in this process.
Reproduction history:	Has Children: No Number of Children: 0 Have you donated eggs before: No
Views on religion and spirituality:	I am religious. I practice religion and I believe everyone is here for a reason

Additional Donor Information

--	--------------

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
