

## S - SM 3096, Johannesburg

Availability status:	Available now in Johannesburg
Race:	Black
Age:	25
Hair colour:	Black
Eye colour:	Dark brown
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.71m., 68kg., medium curvy build, size 7 shoe, medium complexion
Face shape:	Heart
Other personal information:	Swazi nationality. Candidate is busy with a masters degree in Fine Art. She is an artist and therefore self- employed, but occasionally does freelancing at galleries to gain work experience. She is a very hardworking and determined person, introverted but very observant, as well as a good listener. She enjoys reading books from fictional to non-fictional to broaden her knowledge base. She enjoys DIYing, learning new things and improving her skill set. She also sees herself as a 'plant mom', loves growing

	and keeping plants, and caring for people young and old. Non-smoker. Reason for donating: I would like to be an egg donor so as to be able to give families and couples the chance of having a child and growing their families. It is important that the child is able to grow in a loving and stable home. Message to the recipient: may God bless you and keep you strong.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	People should feel free to practice religion, but also feel free to not believe as well.

**Confirmation**

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
