Face shape:	Inverted Triangle
Other personal information:	<p>South African nationality, Xhosa and Tsonga ancestry, O+ blood group. Candidate is an administration assistant. She is very interested in criminology. Non-smoker. Reason for donating: Why I want to be an egg donor: I'm motivated to become an egg donor because I want to help individuals or couples struggling with infertility achieve their dream of starting a family. I believe that everyone deserves the opportunity to experience the joy of parenthood, and I'm willing to contribute to making that possible. I'm also drawn to egg donation because it allows me to make a</p>

	<p>meaningful and tangible difference in someone's life. I'm impressed by the selflessness and courage of intended parents who pursue alternative family-building options, and I want to support them on their journey. Message to my recipient: I want you to know that I'm honored to be a part of your journey to parenthood. I hope that my contribution will bring you joy, love, and fulfillment.</p>
Reproduction history:	One child and no donations as yet.
Views on religion and spirituality:	I believe that religion and spirituality are personal and can play a significant role in many people's lives. I respect the diversity of faiths and spiritual practices, and I think it's essential for individuals to explore and express their own spirituality in a way that feels authentic to them. As for practiced religion, I'm open to learning about different traditions and finding common ground among various beliefs.

Behavioural Traits

What is most important in life to you?	To me, family, love, and connection are essential. I value relationships and the support that comes with them. I'm also passionate about personal growth and making a positive impact on the lives of others. These aspects bring meaning and fulfillment to my life.
If you had unlimited resources and could save one thing on earth what would it be?	If I had unlimited resources, I would choose to support global healthcare initiatives, particularly in areas where medical advancements can significantly improve people's quality of life. I'd invest in research, education, and infrastructure to address pressing health issues and promote overall well-being.
What are your views on religion and spirituality,	I believe that religion and spirituality are

<p>and practiced religion?</p>	<p>personal and can play a significant role in many people's lives. I respect the diversity of faiths and spiritual practices, and I think it's essential for individuals to explore and express their own spirituality in a way that feels authentic to them. As for practiced religion, I'm open to learning about different traditions and finding common ground among various beliefs.</p>
<p>Childhood religion:</p>	<p>Christian.</p>
<p>Any specific achievements or aspects of recognition in your family:</p>	<p>In my family, we value close relationships and supporting one another's endeavors. One aspect that stands out is our strong bond and the way we celebrate each other's successes, no matter how big or small they may be. This has created a nurturing environment where everyone feels encouraged to pursue their passions and interests.</p>
<p>Interests and hobbies:</p>	<p>In my free time, I enjoy activities that promote relaxation and creativity, such as reading, taking walks, and practicing yoga. I'm also interested in learning new things and exploring different cultures through music, art, and cuisine. These hobbies help me unwind and stay curious about the world around me.</p>
<p>What is your preferred holiday?</p>	<p>Beach</p>
<p>If you were offered an all-inclusive holiday, what would it be?</p>	<p>If I were offered an all-inclusive holiday, I would choose a relaxing getaway to a beautiful island with crystal-clear waters and stunning scenery. The ideal holiday would include luxurious accommodations, delicious local cuisine, and opportunities to engage in water activities, such as snorkeling or kayaking, or simply unwinding on pristine beaches.</p>
<p>Which interesting places have you visited?</p>	<p>I've had the opportunity to explore some fascinating destinations. Some of the interesting places I've visited include national parks, vibrant cities, and scenic coastal towns. Each location has offered a unique blend of culture, history, and natural beauty, allowing me to broaden my perspectives and create lasting memories.</p>
<p>What are your feelings on animal welfare?</p>	<p>I care deeply about animal welfare and believe that all living beings deserve to be treated with kindness, respect, and compassion. I support efforts to promote animal conservation, prevent cruelty, and ensure the well-being of animals in</p>

	various settings, such as shelters, sanctuaries, and natural habitats. Every individual can make a positive impact on animal welfare, and I believe it's essential to promote a culture of empathy and understanding towards all creatures.
Strength and weaknesses:	Strengths - cooking, public speaking, problem-solving, empathy and adaptability; weaknesses - perfectionism, overthinking and time management under pressure
What do others generally think of you?	From what I've gathered, people generally see me as approachable, empathetic, and a good listener. They appreciate my willingness to help and offer support when needed. Some might describe me as creative and enthusiastic, while others might see me as more reserved or introspective. Overall, I think others view me as a kind and genuine person who values relationships and connections.

--	--

Please indicate if you have any donation conditions or criteria such as persons to whom you prefer not to donate:	None
Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	No
