

## A - SN 4321, Johannesburg

Availability status:	Available now in Johannesburg and Pretoria
Race:	Black
Age:	23
Hair colour:	Black
Eye colour:	Brown
Has children:	No
Proven donor:	Yes
Post matric studies:	Yes
Other physical information:	1.54m., 68kg., hourglass, dimple and birthmark on the back of my knee
Face shape:	Round
Other personal information:	Christian, South African nationality, O+ blood group. Candidate is an educational psychology student, completed her studies in sports science. She is very sporty, participates in drum majorettes and netball. She describes herself as bubbly, happy, outgoing, loves to socialise and meet new people. She is sensitive, but not fragile. She enjoys cooking and reading. Non-smoker. Reason for donating: I would love to become an egg donor as this has always been something special in my heart. This means a lot to me

	as it means that i would be helping my fellow sister to have a dream come true that, would also make her the happiest person in this planet. Being a donor doesn't only mean that but would signify peace and love for the world. A special message for my recipient is always know that you are loved and you are a unique shining star. Keep shining brighter than the shining moon.
Reproduction history:	No children and proven donor.
Views on religion and spirituality:	I am a very religious person, born in family of pastors and a high believer

Please indicate if you have any donation conditions or criteria such as persons to whom you prefer not to donate:	No
Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

### Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled	Yes

environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
