Race:	Black/African
Age:	31
Hair colour:	Black
Eye colour:	Brown
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.54m., 48kg., small build.
Face shape:	Diamond
Other personal information:	Christian, South African nationality. Candidate is an entrepreneur. She enjoys cooking, farming and walking. Non-smoker. Reason for donating: I am driven by a deep desire to help others build their families. Seeing loved ones struggle with infertility has shown me the significance of assisted reproduction. I believe every individual deserves the joy of parenthood. By donating my eggs, I'm honoured to play a part in bringing hope , happiness and new life to those that need it. To the recipients, I want you to know that this gift comes from my heart. I am thinking of you

	and sending love as you embark on this journey. May the tiny beginnings of life I am sharing with you grow into a beautiful, healthy and happy child.
Reproduction history:	One child and no donations as yet.
Views on religion and spirituality:	As a Christian, my faith is integral to my life. I believe spirituality is a personal journey , connecting us with something greater than ourselves .My Christian values guide my relationships ,decisions and purpose .

### Confirmation

I have only made myself available as an egg	Yes
---	-----

donor with baby2mom:	
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
