Why do you want to be an egg donor and if you had a message for your recipient what would it be?	My dream of having my own family is currently on hold but I would like to assist a family who can start theirs now. We live in a fast pace world that cares about materialistic and superficial things but the few that still believe in family and love deserve to have their happy endings and fairytales come true.
How do you best describe yourself?	I am a young female and I am currently completing a degree in teaching. I am a headstrong , confident person who always seeks methods to overcome all challenges. I am an ambivert by nature, extroverted when required or when I am comfortable with the company I am in. Introverted in the sense that I would opt for a

	weekend indoors with movies, books, music and my mother. I have sober habits and do not indulge in tobacco , drugs or alcohol. My family is quite conservative in that regard and it's a rule we choose not to break. I come from a family of 5 and have a younger brother and sister. I am passionate about child care and aim to be an educator that adds value to the lives of the future generations. I would like to someday have a family of my own however my partner and I have put those dreams on hold for now due to career aspirations and finances. I love being creative and in my free time indulge in creative writing on my own and love trying new recipes be it through baking or cooking. I believe in loyalty and being honest and hold a good track record with all those close to me as a faithful friend, sibling, daughter and partner. I am generally an active person that loves dancing, swimming, athletics and cycling

Confirmation

I have only made myself available as an egg donor with baby2mom:	No
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
