Other personal information:	South African nationality Candidate is employed as a senior financial accountant. She describes herself as a calm and warm person, someone who brings a sense of ease and comfort to those around her. She approaches life with a steady heart and a clear mind, yet is deeply goal-driven, always striving to grow, learn, and make a meaningful impact. She values kindness, perseverance, and balance, and believes that with warmth and determination, anything is possible. Non-smoker Reason for Donating: I want

	<p>to be an egg donor because I believe in the profound gift of life and the extraordinary joy that comes from helping others build the families they've always dreamed of. The thought that a part of me could help someone experience the love, hope, and fulfillment of parenthood is deeply meaningful. I want to contribute to a journey that is so personal and transformative, knowing that my donation could be the beginning of a lifetime of happiness for another family. Message to recipient, it would be this: Though we may never meet, I want you to know that my gift comes with warmth, hope, and a wish for endless love in your life. May this donation be the start of a beautiful story, filled with laughter, growth, and the joy of family. I am honored to play a small part in the miracle of your journey.</p>

## Behavioural Traits

What is most important in life to you?	What is most important in life to me is living with purpose, kindness, and intention. I value meaningful connections, personal growth, and the ability to contribute something positive to the lives of others. To me, true fulfillment comes from showing up with warmth and compassion, while staying committed to my goals and values. I believe that a life guided by love, balance, and gratitude is a life well lived.
If you had unlimited resources and could save one thing on earth what would it be?	If I had unlimited resources and could save one thing on Earth, it would be the well-being of humanity by ensuring that every child is born into a world filled with love, safety, and opportunity. I would work to protect families, provide access to education and healthcare, and create environments where compassion and understanding guide the way we live. I believe that when people are cared for and given the chance to thrive, the world becomes a kinder and more hopeful place for everyone.
What are your views on religion and spirituality, and practiced religion?	I view religion and spirituality as deeply personal paths that offer meaning, guidance, and a sense of connection. I respect all beliefs and the comfort and strength they can bring to individuals and communities. While I may not strictly practice a specific religion, I value spirituality in a broader sense—living with kindness, gratitude, and mindfulness, and treating others with compassion and respect.
Childhood religion:	Christian

Any specific achievements or aspects of recognition in your family:	My family values education, hard work, and integrity, and these principles have shaped who I am today. While we may not focus on public recognition, there is a strong sense of achievement in the way my family supports one another, pursues personal growth, and overcomes challenges with resilience. These shared values and quiet accomplishments are something I am deeply proud of.
Interests and hobbies:	My interests and hobbies reflect my calm and goal-driven nature. I enjoy activities that bring balance and peace, such as spending time in nature, reading, and practicing mindfulness. I also value personal growth and stay motivated through setting goals, learning new skills, and maintaining a healthy, active lifestyle. In my free time, I appreciate meaningful conversations, creative outlets, and moments that allow me to recharge and stay connected to myself and others.
What is your preferred holiday?	Beach
If you were offered an all-inclusive holiday, what would it be?	If I were offered an all-inclusive holiday, I would choose Barbados. Its crystal-clear waters, soft white beaches, and warm island atmosphere feel like the perfect escape. I am drawn to the sense of calm the island offers, along with its rich culture, gentle rhythms, and breathtaking sunsets. Barbados feels like a place where I could truly relax, reconnect with myself, and enjoy the simple beauty of nature and island life.
Which interesting places have you visited?	Robben Island, Cape Town
What are your feelings on animal welfare?	I care deeply about animal welfare and believe that animals deserve kindness, respect, and protection. I feel it is our responsibility to ensure they are treated humanely and provided with safe environments where they can thrive. I value ethical practices, conservation, and efforts that reduce harm and suffering, and I believe that how we treat animals reflects our compassion as a society.
Strength and weaknesses:	Strengths: One of my greatest strengths is my calm and steady nature. I approach situations with patience and clarity, which allows me to make thoughtful decisions and remain grounded even during challenges. I am also deeply goal-driven

	<p>and committed to personal growth, consistently working toward what I believe in with dedication and quiet determination. My warmth and empathy help me connect genuinely with others and create positive, supportive environments.</p> <p><b>Weaknesses:</b></p> <p>Because I care deeply and strive to do things well, I can sometimes be overly self-reflective and place high expectations on myself. This occasionally leads me to take on more responsibility than necessary. However, I view this as an opportunity for growth, and I am continually learning to balance ambition with self-compassion.</p>
What do others generally think of you?	Others generally see me as calm, approachable, and dependable. They often describe me as warm and kind, someone who listens with empathy and offers support without judgment. Many appreciate my steady nature and goal-driven mindset, as I am seen as someone who is both reliable and inspiring, capable of bringing balance and positivity to any situation.

### Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor.	Yes

I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
