## Additional Donor Information

### Initial Information

In which town and province do you live?	Springs, Gauteng
Nationality:	South African
Where were you born?	South Africa
What language(s) do you speak?	English
Year of birth:	1999
Age:	24
Star sign:	Capricorn
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I would like to become an egg donor because I love children and caring for them, I've volunteered in many childcare facilities and I have several siblings. I know what it feels like to want to love a child and I know that many women are not able to produce children on their own and I'd love to help achieve this by helping them have their own children by donating my eggs to a soon to be mother in need.
How do you best describe yourself?	I am a loving young woman who is very friendly and outgoing. I love children and I have a deep passion for the travel industry. I am very active in women empowerment movements as I believe that we are amazing.
Relationship status:	Serious relationship
Are there any medical or psychological concern areas we should know about?	None of which I am aware

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

### Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the	Yes

baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
