

## A - SW 3961, Johannesburg

Availability status:	Available now in Johannesburg
Race:	Black
Age:	22
Hair colour:	Black
Eye colour:	Brown
Has children:	No
Proven donor:	Yes
Post matric studies:	Yes
Other physical information:	1.6m., 48.8kg., slim body, light brown skin tone.
Face shape:	Triangular
Other personal information:	Christian, South African nationality, A+ blood group. Candidate is an Aeronautical Engineering student at Wits University. Her interests include reading, drawing, playing tennis, dancing and cooking. She is an extroverted and open minded person. She also loves to explore. Non-smoker. Reason for donating: I am considered a miracle child because my mother was told she cannot have babies before me. After she told me about her experience, I've always wanted to help other women experience the wonderful feeling of being a mother.

	Everyone deserves to be a mother and hopefully I can make that dream come true for many who biologically cannot. I've also made it a goal of mine since I understood the donation process to be as healthy as possible to one day be the perfect candidate to donate and help a mother.
Reproduction history:	No children and proven donor resulting in pregnancies, including twin.
Views on religion and spirituality:	I'm more spiritual than religious. I do believe that there's a higher power and I'm a Christian.

## Additional Donor Information

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

**Confirmation**

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and	Yes

will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
