

S - SX 6364, Westonaria

Availability status:	Available now in Johannesburg and Pretoria
Race:	Black/African
Age:	22
Hair colour:	Black
Eye colour:	Brown
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.55 meters 60 kg
Face shape:	Round
Other personal information:	South African nationality. Candidate is studying a Bachelor of Social Science. She describes herself as compassionate, responsible, and goal-oriented. She cares deeply about helping others and try to live with kindness and integrity. She is someone who takes commitments seriously and always strives to improve myself and make a positive difference. Non-smoker Reason for Donating: I want to be an egg donor because I know there are many individuals and couples who struggle to have children, and I would like to help give them

	that opportunity. Being able to contribute in a way that could help someone start or grow their family is very meaningful to me. I have also taken time to understand the responsibility involved, and I feel confident that I can make a positive difference through donation.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I am spiritual but not strictly religious.

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
