She is a freelancer who teaches English online as a foreign language. Non-smoker. Message to recipient: I want you to know that my decision to become an egg donor was made with love and care. I understand the emotional journey you've undertaken to reach this point, and I'm honoured to be a part of your story. The eggs

	<p>I'm donating are a symbol of hope, love, and new beginnings. I hope they bring you joy, happiness, and a sense of fulfilment. As you embark on this journey, I want you to know that you're not alone. You have the support of loved ones, medical professionals, and a community of individuals who care. Cherish every moment, every milestone, and every challenge that comes with building your family. Remember to be kind to yourself, to trust the process, and to celebrate the small victories. You are strong, capable, and deserving of love and happiness. I'm sending you positive energy, warm thoughts, and best wishes for a successful journey.</p>
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I believe everyone has the right to choose which religion they conform to.

Why do you want to be an egg donor and if you had a message for your recipient what would it be?	Dear recipient, I want you to know that my decision to become an egg donor was made with love and care. I understand the emotional journey you've undertaken to reach this point, and I'm honoured to be a part of your story. The eggs I'm donating are a symbol of hope, love, and new beginnings. I hope they bring you joy, happiness, and a sense of fulfilment. As you embark on this journey, I want you to know that you're not alone. You have the support of loved ones, medical professionals, and a community of individuals who care. Cherish every moment, every milestone, and every challenge that comes with building your family. Remember to be kind to yourself, to trust the process, and to celebrate the small victories. You are strong, capable, and deserving of love and happiness. I'm sending you positive energy, warm thoughts, and best wishes for a successful journey.
How do you best describe yourself?	I am a compassionate and empathetic individual dedicated to helping others build their families. I am a responsible, healthy, and motivated person who has made the selfless decision to become an egg donor. I am a non-smoker, leading a healthy lifestyle; physically and mentally well, with a strong family medical history; emotionally stable and supportive, with a strong network of loved ones; intellectually curious and engaged, with a passion for learning and personal growth; culturally sensitive and open-minded, embracing diversity and inclusivity; motivated to become an egg donor. I want to help individuals or couples struggling with infertility or genetic disorders, make a positive impact on someone's life and

	family, empower others to build their families and experience the joy of parenthood, contribute to the creation of a new life and a new generation. I understand the emotional journey and complexities involved in egg donation. I am committed to being a supportive and considerate donor, respecting the recipient's autonomy and decisions throughout the process."

Egg Donation Stipulations

Please indicate if you have any donation conditions or criteria such as persons to whom you prefer not to donate:	No
Preferred town to donate:	Pretoria
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
