| Other personal information: | South African nationality, O+ blood group. Candidate is as an IT student. Her interests include music and reading. She is a fun loving, caring, friendly, shy and family oriented person. Her favourite subjects at school were maths and biology. She does not enjoy physical activities but loves any and all group activities. At school, she was part of the environmental club and the choir and played tennis. Non-smoker. Reason for donating: I want to help people who want to have children experience their dream, having experienced it myself I feel it is a beautiful |

| | |
|------------------------------|--|
| | <p>journey and the unconditional love shared between a mother and her child is indescribable so it should really be experienced. I have a son, he's one now and I know how amazing it felt when I got to hold him for the first time and how much my heart fills with joy every time I see his beautiful face, and I just want to give someone else the opportunity to feel the way I do... there is honestly no words or ways that I could describe what the love of between a child and parents actually feels like.</p> |
| <p>Reproduction history:</p> | <p>One son and no donations as yet.</p> |

Confirmation

| | |
|---|-----|
| I have only made myself available as an egg donor with baby2mom: | Yes |
| Please advise any specific donation criteria other than those mentioned: | No |
| All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs: | Yes |
