

## S - UM 3425, Johannesburg

Availability status:	Available now in Johannesburg and Pretoria
Race:	Black
Age:	23
Hair colour:	Black, soft texture
Eye colour:	Dark brown
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.5m., 55kg., skinny shape, fast hair growth
Face shape:	Oblong
Other personal information:	South African nationality. Candidate is busy studying Metallurgical Engineering at Wits. She matriculated with five distinctions in subjects such as Mathematics and Physical Science, Live Sciences and Geography. She was a quiet child, a bit shy but very focused and determined. She wants to try many things. She pursues many interests and enjoys creative arts, photography, jogging, nature, interior design, wedding decorations, music, sewing outfits for herself and was a poet as a child. She has a huge love for Mathematics, outdoor

	activities, writing and reading. Non-smoker. Message to egg donor recipient is to not believe in the impossible. I hope you have a happy family.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	It is okay to practice religion of one's choice. I think religion keeps one grounded and closer to the spiritual world. I believe in the power of prayer and miracles. I totally respect the spiritual world of any religion I do not judge any of them or compare them.

## Additional Donor Information

### Initial Information

In which town and province do you live?	Johannesburg, Gauteng
Nationality:	South African
Where were you born?	Dzimauli, Limpopo
What language(s) do you speak?	English, Tshivenda
Year of birth:	1997
Age:	23
Star sign:	Taurus
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	Being able to give someone such a gift that can be easily attained by many yet a difficult story for some would be a great honor for me. I think everyone deserves a family with children if that

	is what they want and I would be glad to give that part of family to them. For the recipients I would tell them to be happy and enjoy the simple moments of life. More than anything I wish them a happy family.
How do you best describe yourself?	I have a great sense of humor, very humble and down to earth. I am a kindred spirit. I pride myself in my perseverance level, my will to learn and to fight through. Life is not an easy ride but I'm still here hoping and fighting.

Towns available in which to donate - travel costs will be covered:	

**Confirmation**

I have only made myself available as an egg	Yes
---	-----

donor with baby2mom:	
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
