Other personal information:	Christian South African nationality Candidate studying B Ed. She describes herself as a kind, grounded, and caring person. I'm quite easygoing and get along well with different types of people, but also has a strong sense of responsibility and take things that matter seriously. She values family, connection, and living a balanced, healthy lifestyle. She is someone who enjoys the simple things, but I'm also motivated and always trying to better herself and grow. Non-smoker.

	Reason for Donating: I want to be an egg donor because I know how special it is to have a family, and not everyone gets that opportunity easily. If I'm able to help someone experience that, even in a small way, it really means a lot to me. It just feels like a very real and meaningful way to make a difference in someone's life.
Reproduction history:	Three children and no donations as yet.
Views on religion and spirituality:	I am a devoted Christian

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
