

A - YS 4234, Potchefstroom

Availability status:	Available now in Johannesburg and Pretoria
Race:	Indian
Age:	24
Hair colour:	Brown
Eye colour:	Brown
Has children:	Yes
Proven donor:	Yes
Post matric studies:	Yes
Other physical information:	1.58m., 70kg.
Face shape:	Round
Other personal information:	South African nationality, O+ blood type. Candidate describes herself as responsible, ambitious, calm, loving, caring and friendly. She is a family-oriented person and loves being around her loved ones. They always make her feel loved and cherished. She feels she would literally do the world for her family: whatever they need they know that they can always depend on her. She is a social butterfly but very quiet. She enjoys reading, writing, dancing and swimming and likes food, doing something fun adventurous, neatness and kindness. She dislikes rude

	people and untidy work. She partakes in sports, volunteering, babysitting and exercise. She is passionate about studying and making a difference. Family is important to her, as well as goals and aspirations. She is responsible, ambitious, and calm And takes relationship-building very seriously. Non-smoker. Reason for donating: I would love to make a difference to a family.
Reproduction history:	One child and proven donor resulting in a twin pregnancy.
Views on religion and spirituality:	Islam

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have	Yes

any further questions about being an egg donor.
I agree to participate as required as people often
travel from international destinations to
participate in a South African egg donation
program and have incurred considerable
financial and emotional costs:
