

S - ZF 4618, Cape Town

Availability status:	Available now in Cape Town
Race:	Coloured
Age:	21
Hair colour:	Black wavy/curly hair
Eye colour:	Brown
Has children:	No
Proven donor:	No
Post matric studies:	No
Other physical information:	1.70m., 70kg., medium build, heart-shaped face, high cheek bones, dark thick eyebrows.
Face shape:	Oval
Other personal information:	Christian, South African nationality, A- blood type. Candidate is an only child to two loving, god-fearing parents. It is her dream to become an educational psychologist, she is currently a student at an educational y institution. She loves animals: has two dog babies. She is a peoples person: can almost always find common ground with strangers and I enjoys making people feel comfortable in her presence. Her friends and family describe her as extroverted, energetic, and confident. She describes herself

as trustworthy, honest, and humble. She enjoys chocolate, doing yoga and pilates when she has the time. She enjoys restaurant hopping with her parents regularly and trying different cuisines. She loves cooking and cooks for the family every evening. She is an organised and tidy person, dislikes smoking, laziness, liars, negativity and bullying. She loves cleaning, travelling, camping, gardening. Her family is easily the most important thing in the world to her and accordingly she enjoys her free time with them. Her parents and her are a very tight-knit family, so whether they are watching TV, playing board games, going to church on Sunday, or trying new things on the weekends, we do almost everything together. She also picked up the hobby of candle-making because of my love for scented candles. She is considering starting a small candle business as a side business. She simply adores children like her mom, who has the biggest heart and passion for teaching children, possibly the reason she is inspired to help children. It is also a dream of hers to start her own family one day and would as many children as possible. Reason for donating: After seeing a family friend struggle for years to have children, and finally having a child through egg donations and IVF, I was inspired to help other families fulfil their

	dream of becoming a parent. I am young and I feel my eggs would be of more use to others. To the recipients, I would be honored to be chosen as your potential donor. I believe I am a perfect candidate to help you become parents.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I am a God - fearing baptist Christian

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	N/A
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and	Yes

will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
