Other personal information:	South African nationality, O-blood group, Christian. Candidate is a safety manager student. She is largely an introvert, but enjoys going out and meeting new people. Her interests include reading, trying new cooking recipes and intimate gatherings with family and friends. She believes that she is a good hearted person, who strongly believes in kindness and happiness, but also in not letting people take advantage of that by learning to also be selfish. Non-smoker. Reason for donating: I would like to do this, donate an egg, because I am a

	<p>mother and to think that the are good women who can't have this opportunity is painful, especially knowing that I can do something about, I can help. I honestly do hope you choose me as an egg donor, it will be an honour for me to help someone out like this.</p>
Reproduction history:	One child and no donations as yet.
Views on religion and spirituality:	I believe in that everyone has a right to believe in what they want to believe, in whatever that brings peace and assurance to them. I don't believe in imposing ones religion or spirituality on others not being judgemental about what they believe in. I for one believe in Christ, but I won't necessarily go around shaming aethist or people who believe in anything either than Christ. Basically I believe people should believe in anything that gives them hope and faith in life.
