

S - ZV 2019, Pretoria

Availability status:	Available now in Pretoria and Johannesburg, coastal regions - travel costs
Race:	White/ caucasian
Age:	30
Hair colour:	Wavy blonde hair
Eye colour:	Blue eyes
Has children:	Yes
Proven donor:	No
Post matric studies:	No
Other physical information:	1.72m., 65kg., fair skin complexion, one dimple on right cheek, size 7 shoe, 34C breast cup size
Face shape:	Heart
Other personal information:	South African nationality, Cancer star sign. Candidate is employed as an office manager. She enjoys painting and hiking. She is an active person. Reason for donating: I realised that I have an opportunity to make someone very happy and to fulfill their dream of becoming a parent and maybe spread some of the happiness I experience with my daughter every day. Having my daughter at a young age has been tough but I will not change anything about my life, I am grateful

	every day that I get to share life with her and would love to help someone feel that joy with which I have been blessed.
Reproduction history:	One daughter and no donations as yet.
Views on religion and spirituality:	Omnism (I believe in all religions)

Additional Donor Information

Initial Information

In which town and province do you live?	Pretoria, Gauteng
Nationality:	South African

Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I do not want anymore children and am happy to focus on my daughter and meet her needs as best as I can. I realised that I have an opportunity to make someone very happy and to fulfill their dream of becoming a parent and maybe spread some of the happiness I experience with my daughter every day. Having my daughter at a young age has been tough but I will not change anything about my life, I am grateful every day that I get to share life with her and would love to help someone feel that joy that I have been blessed with every day!
How do you best describe yourself?	I am very determined and like to challenge

	myself when I can. I love being a mother and that defines me almost. Taking care of my daughter and watching her grow and learn in school makes me happy and I am excited every day for what lies ahead. I work hard and because I am a single mom things weigh heavily on me sometimes but I know no other way than to keep going every day because that is what parents do!
Relationship status:	Serious relationship

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable	Yes

financial and emotional costs:
