Additional Donor Information

Initial Information

In which town and province do you live?	Johannesburg, Gauteng
Nationality:	South African
Where were you born?	South Africa
What language(s) do you speak?	English, isizulu, Isixhosa and Tswana
Year of birth:	2005
Age:	18
Star sign:	Leo
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I want to be an egg donor in order to help women who aren't able to conceive to create families. I want to be able to make women who can't be mothers, mothers. It warms my heart to see that all women want is to have beautiful and healthy babies. It wouldn't be fair for me to withhold my box knowing that there's women who physically can't have babies. As someone who doesn't want babies but is very fertile I would be of service to ladies who aren't able to get pregnant.
How do you best describe yourself?	I am a person of faith and I love to give. I take the time in healing myself in order to be there for others. I'm very artistic and spontaneous. I'm very passionate in every aspect. I am a businesswoman. I love reading and I love storing knowledge in my brain despite academics. I love science & space. I'm into philosophy too. I'm very picky with who I let into my space. I'm outspoken. I love sports and going to the gym.
Relationship status:	Single
Are there any medical or psychological concern areas we should know about?	None

Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria
--	------------------------

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
