Other personal information:	South African nationality, Virgo star sign., Christian. Candidate is employed as a financial advisor. Her interests include spending time with her two daughters. She is a very calm and passive person but can also be very active and out spoken. She also enjoys being around people but would also prefer to be in bed on any given day. Non-smoker. Reason for donating: I would like to become a donor because my best friend who happens to be my daughters godmother is

	unable to conceive. When she told me her story I couldn't begin to understand what she was feeling. I look at both of my daughters and I don't remember them not being apart of my life. Too me they have always been with me. The amount of joy each one brings to my heart is beyond amazing. And I truly wish and hope that I could help another parent have that feeling.
Reproduction history:	Two children and no donations as yet.
Views on religion and spirituality:	Christian

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
